Recreation & Community Services Changes

Long time Recreation Supervisor, Peggy Ford has submitted her notice of retirement. Peggy has been a vital part of this organization for the last 15 years in her supervision of essentially ALL aspects of Recreation and Community Services. Peggy's recreation career has spanned 32 years serving the communities of Cupertino and Los Altos. Our department and this community will miss her as she heads off into a well-deserved retirement. We all wish her the best and hope she thoroughly enjoys her next chapter in life.

Speaker Series

The Grant Park Community Center is scheduled for facility improvements! To complete these improvements both buildings at Grant Park will be closed to all access for a two week period August 22 – September 5. The facility will reopen for use on September 6. All classes and programs scheduled during this time have been either canceled or relocated. The facility improvements taking place are the exterior painting of the buildings, the installation of new blinds on the upper windows of the Multi-purpose room, and the installation of acoustic panels in the Multi-purpose lounge area.
